

K-2nd Grade Field Day Battle of the *Red* and *Black*

Friday, April 28, 2017 9:00-11:15 am
Baseball Field behind the Elementary School

K-2nd Schedule: Field Day Station Rotations will begin on the baseball field promptly at 9:00 am. The high school volunteers will have just arrived. Please allow them to review their instructions and please help them if needed. Please bring this packet with you to field day. It should include these instructions, a rotation schedule and map.

Snacks/Playground: The snacks, which consist of popcorn and sno-kones, will be served in front of the gym. Please enjoy snacks in front of the gym on the K-2nd side closest to the playground, or at the playground pavilion before entering the playground. **If you have a child with allergies that will not be able to eat the snack, please send in a suitable alternative. ***Please Note: No Snacks and Drinks in the gym or on the playground*****

Water and First Aid Station: One water bottle per student is usually sufficient. Extra water, cups and the first aid kit will be available at the first aid station and our school nurse will be on campus.

What to Wear: Students should wear their field trip shirts, sunscreen, tennis shoes and possibly jackets depending on the weather.

Traffic Flow: Our campus is still under construction. Parking and traveling will be challenging. Please watch for signs and employees directing traffic. Thank you in advance for your patience!

Competition, Volunteers and Good Sportsmanship: This year I have revved up the competition. Each class will be divided into a red team and a black team and will be a part of the bigger K-2nd red or black team. A photo of the winning K-2nd red or black team will be taken immediately after the 11:00am Teacher competition at Station 11 and will be proudly displayed in the Elementary hallway until next year.

As always, we are appreciative of our high school volunteers who have generously taken time out of their busy schedules to staff this event! Please remember to thank them. They are the referees of the day. Their decisions stand, and any disrespect to them will not be tolerated! **Please watch and listen at the stations and assist our volunteers if needed.**

We have been working on sportsmanship all year: playing by the rules, taking care of the equipment, encouraging others and respecting those in authority. Please make sure that we all encourage good sportsmanship. **All students should be having fun with many opportunities for success!**

Thank you all for making this a memorable day for our students!—Geny Melton

K-2nd Grade Field Day

Friday, April 28, 2017
